

MAP OF FACILITIES

RANGE HOURS

The Bow & Gun Range opens at 7:00 am, and the range closes following the State of Wisconsin DNR's hunting hours. Range hours are posted at the gate, the range is closed if the gate is closed.

INFORMATION

Located south of Antigo on Sunnyside/Range Road, the range is maintained by the Langlade County Forestry and Recreation Department.

The range offers facilities for archery, airgun, and firearm use. There are benches to site in rifle or pistols, set at 25 yards, 50 yards, 100 yards, 200 yards, and 300 yards. Shooters will need to bring paper targets and attach them to target holders.

The trap area provides opportunity for hand thrown clay targets.

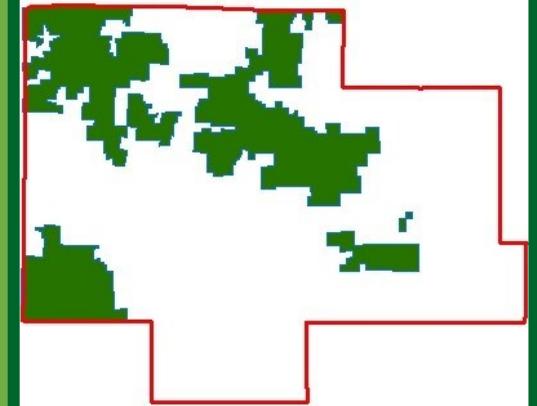

There is also an archery range in the wooded area south of the Long-Bore Range. Archers will need to bring targets, and attach them to the bales at each target site.

RULES AND REGULATIONS

Shooters under the age of 14 years must be accompanied by a parent, guardian, or an adult designated by the parent or guardian.

No person shall discharge any firearm, air gun, or bow contrary to posted regulations. The following are the general rules at shooting ranges:

Loaded firearms are permitted only at the designated firing benches. Actions of firearms are to be in the open position until the shooter is ready to fire.

All firearms are to be shot or fired only into the backstops. No targets are to be placed on the ground. Targets are to be placed only on target holders. No targets are to be placed on or on top of the backstops. All rifle and pistol shooting must impact the target holders and backstops.

No person shall discharge any firearm in any area within the Range not specifically designated for such use.

RULES AND REGULATIONS

Whenever a person is visible down range for any reason, all individuals in the range shall cease firing and unload and break open the actions of their firearms. Firearms are not permitted down range from the shooting benches in the target access area.

Targets- Only paper or cardboard targets may be used in the rifle and pistol shooting range. In the shotgun area only, clay-birds may be used for targets. It is unlawful to shoot at glass, plastic or metal targets. The use of explosive and incendiary targets or devices are strictly prohibited.

Fully automatic weapons are prohibited on the Range. The use of armor piercing, tracer, or incendiary ammunition is prohibited. Any centerfire cartridge with a projectile larger than .50 cal. is prohibited, except shotgun shells containing a slug may be utilized at the rifle ranges.

No activity is permitted on the berms or the backstops, including the mining of lead or copper.

RULES AND REGULATIONS

Dogs shall be allowed at shooting ranges for training purposes. No person shall possess a dog unless the dog is on a leash not more than 8 feet long and under the control of the owner at all times. Nothing in this section shall prohibit the use of service animals.

Users of the range must remove all refuse (cans, plastic containers, paper, shotshell and cartridge casings, etc.) from the range when finished and must dispose of such refuse at an appropriate disposal site at their own cost.

NON-SHOOTING RECREATION

Motorized recreational use is not allowed at the shooting range or anywhere on the 120 acres designated as the shooting range property.

Only public shooting is authorized within the fence defining the Range, other non-shooting recreational uses are restricted due to public safety.

Other non-motorized recreational uses are allowed outside of the defined shooting range fence and encompassing the entire 120 acres more or less, however users should be aware of shooting activity.

HUNTING

Hunting and Trapping are restricted within the fence defining the Langlade County Public Bow and Gun Range

Hunting utilizing firearm which have a single projectile (slugs or bullets) is restricted year-round outside of the defined shooting range fence and encompassing the entire 120 acres more or less. Note that hunting utilizing archery equipment, crossbow and shot shells for areas outside of the range fence and within the range property is allowable.
