NEWS RELEASE/ PUBLIC SERVICE ANNOUNCEMENT

DATE: November 12, 2025

From: Al Murray – Forest Administrator

RE: Langlade County West Evergreen OHMV Trails Schedule to Close

THE LANGLADE COUNTY WEST EVERGREEN OHMV TRAIL SYSTEM INCLUDING ALL PERMITTED TRAILS ARE SCHEDULED TO CLOSE ON MONDAY NOVEMBER 17, AT 8:00 A.M.

This closure is required to provide sustainable management of the trail during the times of the year when soil conditions fluctuate from wet to frozen to wet. The closure is also to reduce impacts and conflicts with hunters with special concerns during the gun deer seasons. The trails are expected to re-open for season number 2 in May of 2026 after soil conditions return to dryer conditions and after revisiting the trail system to ensure environmental impacts are minimized.

For more information, please contact Al Murray, Forest Administrator or Cody Brauner, Assistant Forest Administrator, at 715-627-6300.

The Four Lakes Four Wheelers OHMV club with the assistance of some other organizations have put in many volunteered hours of brushing, signing, and trail work to provide OHMV trails for your use in 2025. Please thank them for their efforts and patronized their business sponsors.

Thank you to all trail users for a great first season for the West Evergreen OHMV trail system. We hope that you enjoyed the Langlade County trail system in 2025 and thank you for supporting the economy and businesses of Langlade County!

Al Murray

Forest Administrator
